WHO ARE WE ?

Al Sahel Cargo & Clearing LLC. is one of the most leading companies in the UAE in the field of providing total logistics solutions. Since its inception in the year 1981 in Abu Dhabi, it has yielded a steady growth by paving its own way to customer satisfaction. Soon, it spread its wings to Dubai by opening a fully-fledged office in Dubai. At Al Sahel Cargo & clearing llc, there is a dedicated team of experts awaits you and we ensure you get the excellent service.

WHAT DO WE DO ?

Today Al Sahel has its own offices in different countries and is well connected with reputed agents all over the globe and is committed to provide safe, reliable and efficient services to our valued clients. Our portfolio of services include Air Freight, Sea Freight, Land Freight, Air Charters, Customs Clearance, Project Cargo Handling, Insurance, Third Party Logistics, Sea/ Air Transport, Dangerous Good Handling, Consolidation (Air and Sea), and Multimodal Transport.

We strive to meet your requirements beyond expectation and we remain loyal to you, your needs and your time. That's what, we at Al Sahel Cargo & Clearing LLC run and operate

CUSTOMS CLEARANCE

Being an early logistics pioneer in the Middle East, Al Sahel has always maintained an excellent relationship with the Customs authorities viz., Municipality & Health departments and as the result we are able to give delivery of the goods to our clients without any delay. Customs clearance is an integral but often confusing part of the supply chain for many customers and they often turn to us to ease the process. As the Customs processes and systems evolve through the years, we always been alongside as a trusted partner to assist in the development of new procedures and digital technologies. Our experience and tailored services take the headache out of every import or export, whether it be single line shipments, complex multi-product shipments, temporary imports, trade show cargo or time-sensitive goods.

AIR FREIGHT

Al Sahel through its network of offices and agents throughout the world allow you the opportunity, with one phone call, to coordinate airfreight shipments worldwide for the most safe, timely, seamless and cost

effective manner possible. We have been meeting our customers' air freight needs ever since our establishment with fast, efficient service and an on-time performance record that is second to none. Our customer commitment is as strong as ever. We choose the best flight, with competitive rates based on your cargo specifications.

We provide expedited air freight services and international air freight to destinations around the world. Our airport - to - airport service is ideally suited to customers with a high volume of business requiring time-critical delivery. We provide air freight services based on your needs and your schedule.

Some of the key airfreight specialties that we service include,

- ▶▶ Temperature Controlled
- ▶▶ Hazardous Material/Dangerous Goods
- ▶▶ Heavy weight and over dimensional freight
- ▶▶ Live Animals
- ▶▶ High Value/Fragile Items
- ▶▶ Full Air Charters

SEA FREIGHT

AL SAHEL is uniquely positioned in its ability to offer flexible carrier choices and competitive pricing through our combination of long time carrier relationships and strong buying power. With an unsurpassed extended global network, we handle all aspects of ocean shipments in most countries of the world including:

- » Full Container Load Service (FCL)
- » Less Than Container Load Service (LCL)
- » Project Cargo (oversized / non-containerized)
- » Sea-Air Service
- » Multi-Modal Service
- » Break Bulk
- » Consolidation
- » Documentation Preparation

INSURANCE

Your shipments are important to us. Help us protect you and cover your shipments while in transit with Cargo Transit Insurance. Let us give you peace of mind and financial protection against the risk of physical loss or damage to

your cargo. With cargo transit insurance, your shipments will be protected from the time it leaves your suppliers facility until it is received by you at your warehouse. Our dedicated department for Insurance has good contacts with all the leading insurance companies and special premium rates are available for specific and tailor made coverage requirements

CONSOLIDATION & FREIGHT FORWARDING

With the help of efficient and trustful agents world - wide, we give impeccable and best solutions to our customers and help them for total logistics management by involving ourselves in their supply chain. We provide excellent communication on status information by doing constant follow - up with suppliers, apart from the competitive rates. We keep our utmost care in providing the supply within the date line specified

WAREHOUSING & DISTRIBUTION

Warehousing and distribution are in the recent days transformed into an integral necessity rather than additional service requirement. By realizing this inevitable importance, we possess a spacious warehouse in different parts of UAE. Sufficient arrangements have been made available in the warehouse for packing and transportation needs of our clients. We offer warehousing facilities at the most competitive rates and equipped with burglary alarm, smoke detectors, approved firefighting systems with water sprinklers & hose reels, electronic theft control, temperature-controlled fire alarms backed by round-the-clock security guards.

We provide you with a full range of additional services to improve the management of your supply chain and to meet your own customers' requirements:

- » Repacking
- » Kitting (preparing special packs)
- » Specialized labeling
- » Swap service
- » Cleaning and disposal management

PROJECT CARGO HANDLING

We have considerable expertise in operating break bulk cargo and project cargo services on a global scale. Our team comprises experienced professionals who handle the most challenging port operations and vessel / cargo related operations competently and efficiently. We cover full range of project cargo management that's outsized, heavy, composed of complex components and that requires special customized procedures.

- » Project cargo strategy and planning (costs analysis, optimal routes, safest, most efficient method of transport)
- » Special equipment transport (flat racks, open tops, platforms etc.)
- » Customs clearance, trade documentation.
- » Project forwarding on turnkey basis
- » Execution of Projects using multimodal transport
- » Experienced in handling segments like Oil & Gas, Power & Water treatment plants
- » Industrial crating / packing

We offer customized solutions / alternatives with our experienced staff who can handle complex jobs with relevant equipment & manpower.

DANGEROUS GOODS HANDLING

We are an elite group of independent, experienced, qualified, and specialized company in the movement and handling of all classes of Hazardous Cargo, Chemicals, and Military shipments worldwide. The airfreight of DG goods around the world is a highly intricate operation. We have the specialist skills and experience required to transport your goods securely, safely and quickly so you can be confident that your hazardous consignment is handled in a professional manner right up to the point of delivery. Whatever the means of shipment we will plan and coordinate every stage of the process, from export packing through to the dangerous goods declaration.

OVERLAND IMPORT EXPORT TRANSPORTATION

We have a strong network of offices and affiliates in the entire Gulf region which we leverage to offer the best overland services to our customers in the region. Our overland transportation services cover the entire U.A.E as well as other parts of the Gulf region such as Qatar, Muscat, Saudi Arabia, Kuwait, Oman and Bahrain

PERISHABLE CARGO HANDLING

We provides cargo services for perishable goods, Items such as fresh fruits, vegetables, meat, fish and flowers go under perishable cargo. Management of transit time and temperatures are crucial for perishable cargo. We ensure that perishables arrive / depart on time and in good condition.

We make sure that perishable cargoes being sent through direct route, with fewest transit stops and minimum transit time. This helps in eliminating unnecessary climatic changes. When a transfer from one flight to another is unavoidable, connecting times are carefully considered as some shipments may require re-icing or temporary storage in a temperature - controlled area such as a cool-room or a freezer.

RELOCATION & SHIFTING

Being U. A. E. one of the most dynamic countries in the world , we get regular business in this activity . We keep first quality packingmaterials and tools and house expert workers and personals . Our staff members are very careful in dismantling and re fixing those furniture and articles realizing that they are of sentimental values and do the job with utmost responsibility , whether it is villa / flat or office.

We Offer Professional services from friendly people. We offer you the best & very care full handling services at a cost that you like.

OUR SPECIALTY

Tailor - made combination services, reasonable rates & charges, quick responsiveness on customer needs, prompt action, timely and frequent communication by all means. We are keen to update on office automations to maintain the state - of - the - art infrastructure to service the trade .

OUR CERTIFICATIONS

At Al Sahal, it is YOU, the customer is our focus and your need is our priority. Without YOU we can't exist.
Your satisfaction is our motto.
